# Pride and Prejudice: The Wild and Wanton Edition

Jane Austen and Michelle M. Pillow

It is a truth universally acknowledged, that a single man in possession of a good fortune, must be in want of a wife...in bed. Unfortunately, we've never been able to see Elizabeth and Fitzwilliam *in flagrante delicto*—until now. In this deliciously naughty updating of the beloved classic, readers can peek behind the closed doors of Pemberley's sexiest master bedroom—and revel in the sexual delights of their favorite couple.

From first kiss to orgasmic finish, *Pride and Prejudice: The Wild and Wanton Edition* is every Austen fan's dream come true—the story they love, with the heat turned up to high. It will come as no surprise that the dashing Mr. Darcy is as passionate and intense with his knickers off as he is with them on. And admit it, we've all wanted to see him sans knickers!
