Rediscover the Magic™

About The Raven

The Raven was founded in 2004 by authors Mandy M. Roth and Michelle M. Pillow. Named after the club in Mandy's famous Daughter of Darkness series, The Raven began as a place for readers to hang out and follow the free story by Michelle and Mandy, Raven Happy Hour (www.RavenHappyHour.com). It quickly evolved into a yahoo group, radio show, fan site, paranormal blog and so much more. Each October, the site hosts a massive Online Scavenger Hunt, giving away hundreds of prizes by just as many authors.

In Sept 2008, The Raven Books (www.TheRavenBooks.com) was founded as a place to provide a temporary outlet for readers to find favorite, hard-to-get Michelle & Mandy backlist titles. However, due to reader demand, it is evolving to include original, exclusive titles from the authors. The authors are still putting out new titles with their current publishers, so check out their individual websites for complete booklists and information.

Mandy M. Roth, Co-Founder

Mandy M. Roth grew up fascinated by creatures that go bump in the night. From the very beginning, she showed signs of creativity--writing, painting, telling scary stories that left her little brother afraid to come out from under his bed. Combining her creativity with her passion for the paranormal has left her banging on the keyboard into the wee hours of the night. Her books have won numerous awards, including an RT nomination for Best Paranormal Erotic.

Mandy lives on the shores of Lake Erie with her husband, their three boys and a boxer pup named Hercules. When Mandy is not writing, she's doing cover art for various places with a super double secret brush name. She has given several marketing workshops for authors. She has a Bachelor of Science and is currently working on her Master's Degree in Marketing.
